Branding do and do nots

IBM Quantum

You CAN use the logo above. You cannot edit or modify it in any way, but feel free to use on flyers and event material (as long as approved by event staff prior).

You CAN use the logo above. You cannot edit or modify it in any way but, feel free to use on flyers and event material (as long as approved by event staff prior).

DO NOT use the logo above. This requires a contract which is not provided.

Misuse

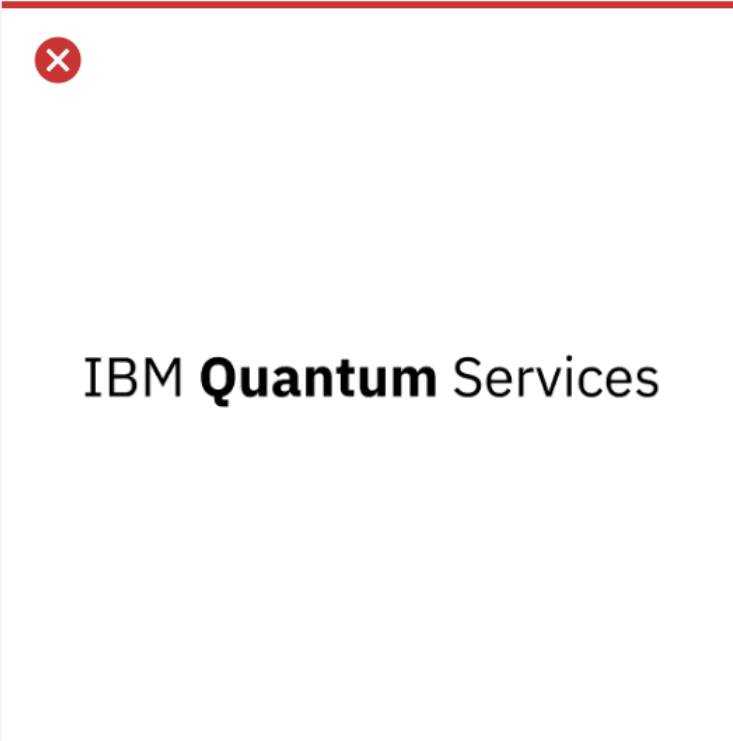

Use only approved artwork without distorting or manipulating it in any way.

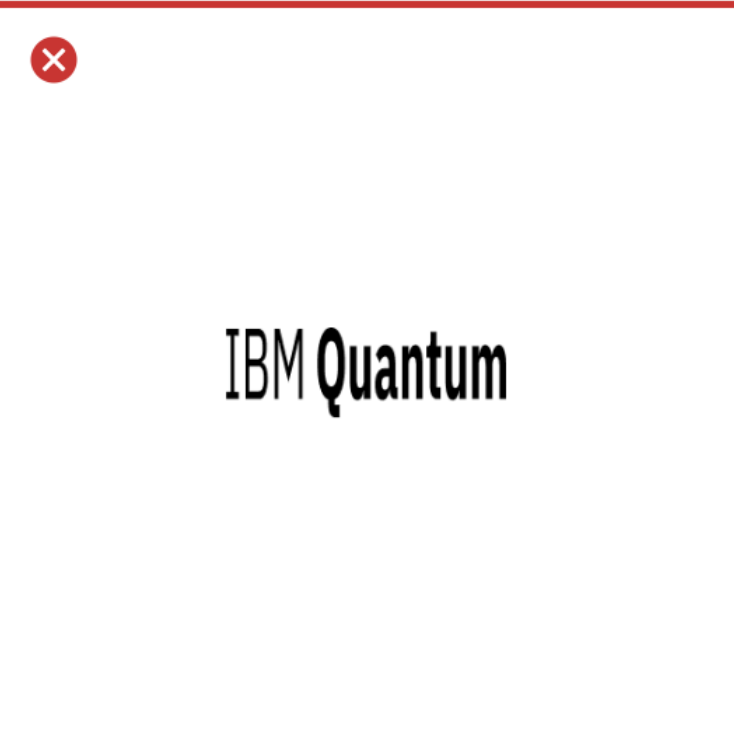

Don't use "Quantum" without "IBM."

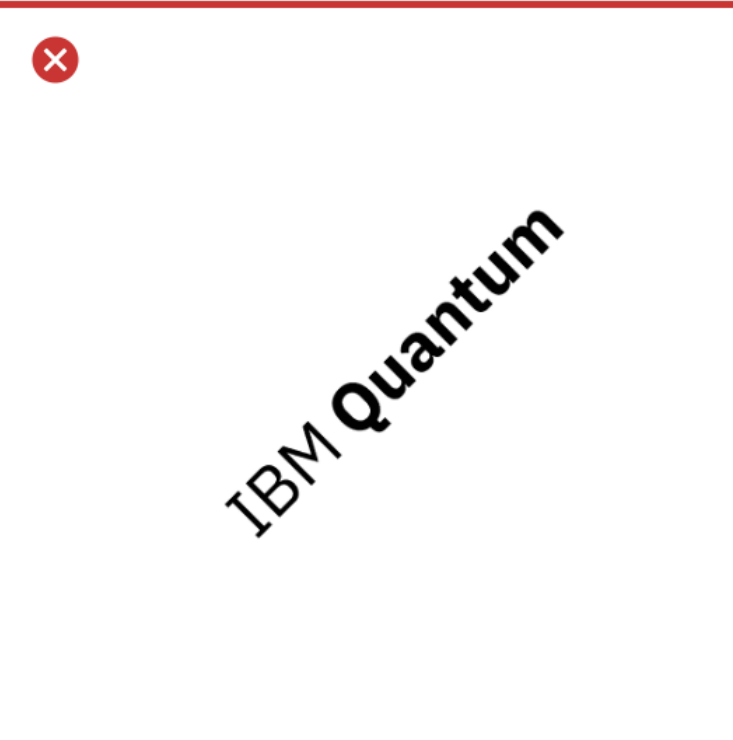

Don't stack the logotype.

Don't create new logotypes or otherwise add to the logotype.

Don't stretch or compress the logotype.

Don't rotate the logotype.

Don't apply color gradients.

Don't outline the logotype.

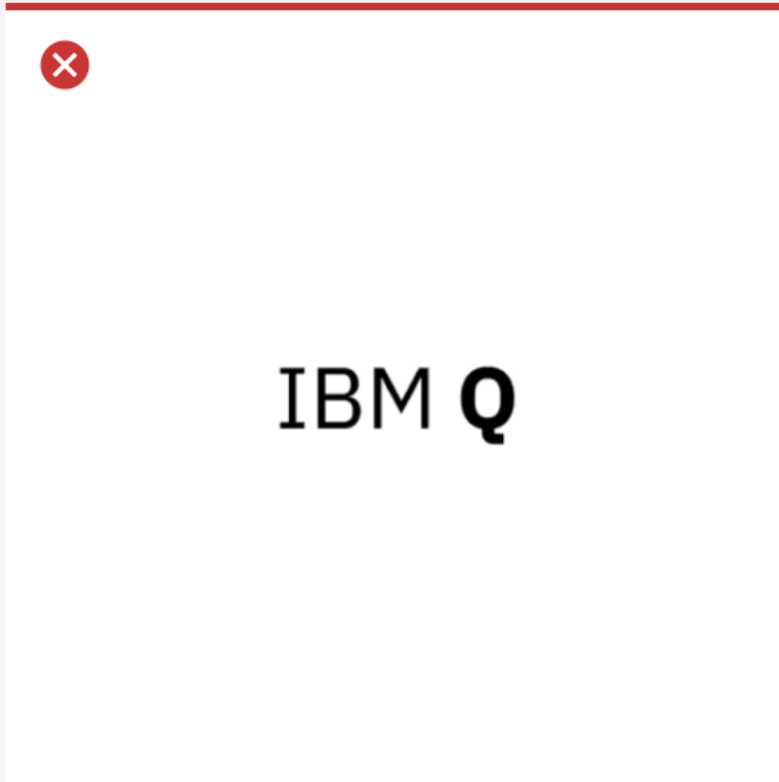

Don't apply drop shadow, glow, or other effects

Don't use reflections.

Don't attempt to make your own IBM Quantum logotype.

Don't refer to IBM Quantum as IBM Q.

Submissions to keep in mind

Due August 25th
[Speaker Request](#)

Due September 8th
[Website Information](#)

**For plus affiliations only; this is where you will also submit your swag request*

It is recommended that your team gets together to submit this form as you are unable to change your submission after, but the lead organizer will be the one putting their name down on the form. Please note this is the most important form and it will take time to figure out all logistics.

Speaker Request

2026 Qiskit Fall Fest - Speaker Request Form

As a reminder, once you have submitted you will receive a confirmation email and **changes will no longer be available**. While it is recommended your team submits as a group, **please have your lead organizer submit once details are confirmed and finalized**.

Please note this form is due Tuesday, August 25th at 9:30AM ET. No exceptions will be made beyond this date and/or form submission.

confirm I am the lead organizer of my institutions Fall Fest event.

What does your acceptance email read?

Please select your accepted affiliation here.

If you do not see your affiliation below, please make sure you are selecting the correct answer for "what does your acceptance email read?"

+ Add record

Are you looking to have a guest speaker from IBM Quantum attend your event?

Please note the following:

- We will be providing up to one tentative speaker per university
- Your guest request must be within the time frame of your Fall Fest Event
- We will likely be unable to provide speakers on the weekends
- The guest is not guaranteed and you will receive further details if your request is approved

☒ Yes
☐ No

In what format would you like to request the IBM Quantum Guest?

Please note most Qiskit Fall Fest events will be receiving virtual speakers for their event. By selecting "in person only", you will be limiting the guest options and may trigger an automatic decline for an IBM Quantum Speaker.

☒ Virtual only
☐ Either in person or virtual
☐ In person only

If in-person is possible, please list the exact address the IBM Quantum employee will be going to.

Please select the date and time you would like to request the IBM Quantum Guest.

Please note the time zone is in EDT when selecting your date and time. Please also note, weekends or holidays are unlikely as the employee will not be available.

mm/dd/yyyy
hh:mm pm
EDT

How long are you looking to have the speaker be at your event?

Example: Please put YOUR time zone in this request.

- 9AM-5PM EDT
- 2PM-5PM PST
- 10AM-11AM CT

If approved, please note your affiliations sessions will be a Quantum and Qiskit 101 Session by an IBM Quantum Speaker.

☐

What purpose are you needing the IBM Quantum Guest for?

☒ Session or seminar
☐ Judge
☐ Challenge or hackathon assistance
☐ Other

Please elaborate on anything your speaker should be aware of prior to their (likely virtual) session.

Additional comments or concerns

By submitting this form I acknowledge that I have read, understand, and agree to IBM's privacy policies.

Your privacy is important to us! By submitting this form, you are giving IBM your consent to collect, access, store, and use your personal identifiable information ("PII") as outlined in the privacy policies linked below. To remove your personal information, you may withdraw consent at any time by notifying IBM at quantum_events@us.ibm.com.

Email

University or Institution

Please note this is how it will be written on the Qiskit Fall Fest website. Please write the university or institution name correctly and in full (no abbreviations).

Location

Must write your location with "State, Country" that your university or institution is based in.

Example: Texas, United States

Event start

mm/dd/yyyy hh:mm pm EDT

Who will your Event be Open to?

Please only select the following options if this applies:

- University Students - Students at your institution
- Club Members - Students in your institutions club
- Public - Open to all, Open to the general public

You may select one or multiple answers, it is up to your team to decide who you'd like to allow.

☐ University students

☐ Club members

☐ Public

How will your team be incorporating Qiskit into your event?

Event page

Please link your event here.

On your website, please showcase your event and description with what you'll be accomplishing with a registration link. If your event is not open to the public or requires proximity, student status, etc, please specify that on your website and registration.

OPTIONAL: Please select the time and date your team will meet with a IBM Quantum Event Coordinator to give the latest updates on your event.

Please note 1v1 are first come first serve for up to 50 affiliations. If there are no more time slots showing, 1v1's are no longer available.

These meetings are set up in 15 minute increments to brief ask or discuss anything you are looking to discuss about your event! :)

Select only one time slot for your team. All dates are in EDT time zone.
